

The Family is one of God's
M*asterpieces*

*Family isn't always blood.
It's the people in your life
Who want you in theirs,
The ones who accept you for who you are,
The ones who would do anything to see you
smile and pray for you and
Love You, no matter what.*

God bless our Family and Friends

RISC INVESTMENT DRIVE

As you know, New Light is 1 of 12 member congregations in *Richmonders Involved to Strengthen our Communities (RISC)*, a local group who seeks justice for Richmonders in securing affordable housing, employment, health care and other services. This past year, RISC has been successful in securing a commitment from Mayor Jones and 6 City Councilmembers' for a dedicated stream of revenue for the *Affordable Housing Trust Fund*, a fund which will add more jobs and affordable housing in Richmond area. As we pursue justice work for better jobs, employment, and affordable housing in Richmond in 2014, we need your help! RISC needs funding to continue its justice work to help those in our community that don't have a voice. On **Sunday, July 21st**, we will hold a special offering where you may make a donation to support RISC. RISC donation envelopes are available for your donation to help us continue this important ministry work and be a voice for our brothers and sisters in the community.
